### **Re: Temporary Dojang Relocation**

Dear Than Phong Students, Parents & Guardians,

Firstly, we would like to start by congratulating the efforts and spirit of everyone at Collingwood Dojang over the past few years. Thank you to the ongoing support from students and parents with a huge warm welcome to the new families who have recently joined our club. With that, Collingwood Dojang has been standing strong for more than 8 years at this present facility and on the background of over 30 years in Victoria at various locations.

Just recently our club has been advised by Collingwood College Management that the school has secured a government grant to have a brand new sports stadium built in and around the existing gymnasiums. The plan will involve complete vacation of all clientele by early December 2017 in preparation for demolition and commencement of construction aiming to be completed by the start of 2019.

Whilst this is wonderful news for the school and the wider community, the plan will directly interfere with the running of our Collingwood Dojang Classes for 2018. As such over the past few weeks our committee has invested a lot of time and effort in search of an alternative facility that will be suitable for relocation while ensuring minimal disruption to current commuting arrangements.

We would like to announce that from Term 1 2018 our current Collingwood Dojang class will be temporarily relocating to Fitzroy Primary School located at 319 George Street, Fitzroy. Please note that the school hall is located on 'Napier Street' parallel to the above address with best car park access via 'Johnston Street'. All classes here will remain in the exact time slot as our current class at Collingwood College held weekly on Friday from 7.00pm - 8.30pm.

We have spoken to Collingwood College Management to convey our clear intentions of hoping to return to the facility once the project is complete. Meanwhile, we anticipate that there may be possible changes to come. Our club will endeavour to keep everyone updated as regularly as possible with future plans.

We sincerely apologise for any inconvenience caused by this decision. Please feel free to contact us with any questions you may have concerning the relocation or regarding our management.

We look forward to seeing you at our new facility and have no doubts that Collingwood Dojang will continue to grow as a class and strive for success!

Kindest Regards,

Than Phong Taekwondo Australia
